ROUNDHAY ARTISTS OPEN STUDIOS

This event is organised to demonstrate and display the diverse talents of local professional and semi-professional visual artists.
 Local artists are opening their work spaces and homes and you are invited to visit and view examples of their work and talk with the artists.

The main aim of the event is to raise the cultural profile of visual arts in the LS8 Roundhay & Oakwood area and not purely to sell art, although most artists will have work available to purchase should you be interested. In this leaflet you will find the artists' details and a map showing where and when their work is on display. Please feel free to contact artists directly if you would like to discuss their work or view it at another time.

Access: Information about the accessibility of display spaces is given in the artists' profiles.
Refreshments and Toilets: Available at St. Andrew's & St. Edmund's Churches.

By participating in the Roundhay Artists' Open Studios event it is understood that you agree that you and any accompanying children will act respectfully when entering artists' studios and homes and act responsibly in terms of your own personal safety.
